

VOIDING DIARY INSTRUCTIONS

These diaries give us a description of your voiding activity over 2 weeks while on your medication. You will need to complete them on the following days of taking your medication:

- **Day 1**
- **Day 7**
- **Day 13**

Each one is labeled with the appropriate day. Complete the information in the boxes as outlined in the designated time spans.

Please bring them with you to your next follow-up visit!
